**PEDIATRIC PATIENT EDUCATION HANDOUTS BY COLLECTION**

Handouts by Collection features patient education from established AAP programs and publications. Also available are more than 120 audio clips from A Minute for Kids (AAP radio health series for parents).

- Extended Library (NEW)
- Autism Spectrum Disorders Family Handouts
- Bright Futures Well-Child Visit Parent and Patient Handouts
- Care of the Young Athlete
- Connected Kids: Safe, Strong, Secure
- Managing Infectious Diseases in Child Care and Schools
- Managing Chronic Health Needs in Child Care and Schools
- Pediatric Subspecialists
- Plain Language Pediatrics
- TIPP—The Injury Prevention Program
- Vaccine Information Statements (VIS)

**EXTENDED LIBRARY**

The Extended Library includes access to booklets and posters published by the AAP. It may also include publications developed in collaboration with other organizations.

1. Breastfeeding (booklet)*
2. Family Media Use (poster)*
3. First Aid/Choking/CPR chart*
4. How to Measure Liquid Medicine for Your Child (poster)*
5. Understanding ASD (booklet)*
6. Zika Virus: Pediatrician Advice for Families (infographic)

**AUTISM SPECTRUM DISORDERS FAMILY HANDOUTS**

1. Behavioral Challenges
2. Discussing the Diagnosis of Autism Spectrum Disorders (ASDs) With Your Child
3. Early Intervention Services
4. Emergency Information Form for Children With Autism Spectrum Disorders (ASDs)
5. Financial Assistance and Related Programs for Families
6. Gastrointestinal Problems
7. Guardianship
8. Health Care Transition: Moving From Adolescence to Adulthood
9. Inclusion: Elementary School
10. Inclusion: Middle and High School
11. Intervention Approaches Used for Children With Autism Spectrum Disorders
12. Introduction to Complementary and Alternative Medicine
13. Lab Tests
14. Medications and Your Child
15. Nutrition and Eating Problems
16. School-based Services
17. Seizures and Epilepsy
18. Sibling Issues
19. Sleep Problems
20. Talking About Sexuality for Parents of Teens With Autism Spectrum Disorders
21. Teaching Social Skills
22. The Medical Home for Children With Autism Spectrum Disorders (ASDs)
23. Toilet Training
24. Vaccines
25. Visiting the Doctor
26. Wandering Off (Elopement)
